

ASTORIA, ORE. Nov 7 1917

Department of Commerce

Bureau of Fisheries

Washington, D C

Mr. H M Smith

Gentlemen;-

We have your letter under date of November 2, in reference to omissions in our reports of fishing at our Chignik and Nushagak stations.

In this regard would state that the "Semidi" 17 tons is a gasoline screw vessel. The fish packed at our Nushagak plant were taken from Nushagak Bay.

Yours very truly

COLUMBIA RIVER PACKERS ASSOCIATION

*J. S. Osmond*
